TO WHOM IT MAY CONCERN

This is to confirm that

ELEKTROPLAN CONSULTING ENGINEERS cc

is a certified member of Proudly South African.

Proudly South African is the organization launched by government, business, labour and the community to promote quality South African companies, products and services which promote job creation and local economic development.

The organization is endorsed by the President of the Republic of South Africa, the Department of Trade and Industry, Cosatu and the SA Chamber of Business.

The above company has complied with our certification procedure, which means that the company has shown that it:

- utilizes a high level of local content and local labour in its production and activities;
- meets high quality standards in its products and activities;
- is committed to fair labour practices;
- upholds responsible environmental practices.

As such, the company is a contributor to local economic development and job creation, as well as a responsible corporate citizen.

We hereby request that you give due consideration to the above factors, which we believe should be taken into account as a material factor in your decision-making, in view of Government’s policy on encouraging local content and job creation.

By doing so you are supporting the aims and objectives of the campaign as developed by government, labour and business at the National Economic Development and Labour Council (Nedlac).
